

# MaxiCut 3 Oil® — Assured protection

Non Slip Grip Technology. Designed for moderate cut resistance in oily and dirty conditions where grip is essential. Cut Level 3.

34-420

## Key Features

- n **GRIPtech** "micro-cup" technology providing an intense and less fatiguing grip
- n **AIRtech** enabling 180° breathability in oily environments.
- n **LIQUITech** increased resistance to oils.
- n **CUTtech** Level 3.
- n Liquid proof, non-slip grip.
- n Excellent abrasion, cut and tear resistance.
- n **Sanitized**® for antimicrobial protection.

Incorporation of GripTech® technology, utilizing "micro-cup" finishing, permits an intense and less fatiguing grip in oily and/or wet conditions. If it doesn't slip then it stays safe. Through use of this philosophy and technology ATG are able to maximize the dexterity, flexibility and extreme comfort by focusing on grip first prior to adding the necessary cut resistance. MaxiCut 3 Oil® 34-420 offers the best of all worlds.
